Our Transition Band is making some great progress!!

OSSA Swimming Carnival
Yesterday a strong team of enthusiastic and energetic swimmers competed at the Orange Small Schools Swimming Carnival. It was a great day and we were very pleased with our swimmers determination and willingness to compete to represent our school with honour. I’m sure everyone who was there for support was as proud of our students as the teachers were. Well done! The names of students successfully qualifying have not yet been released but some Canobolas students are keen to be selected. Hopefully they will know in the coming days.

Swimming Champion
Congratulations to Charlotte, the new OSSA Senior Girls Swimming Champion!

ixtend
ixtend is an online enrichment program designed to cater for the needs of gifted and talented students in the middle years of schooling. Students are selected through school nomination and an online assessment process. We are pleased to announce that Luka, Jeremiah, Lliam and Charlotte S have all been accepted. We look forward to their efforts and participation in this year’s program.

Robocup Training Day
Yesterday Lliam and Riley attended a Robocup Training Day at CSU in Bathurst. They learned how to program a robot to follow a line and how to search for and locate an object. Their tips and expert advice will be shared with the senior class in the lead up to this year’s competition.

Scripture
Scripture classes begin today for our students. Margot Davidson is coordinating the program which is organised cooperatively between the different Christian Churches.

P&C AGM Reminder
The P&C Annual General Meeting will be held tonight at 7.30 in the Old School Building. Everyone is welcome.
