Incredible Effort
Our 150th Celebration weekend was a huge success. Thank you each and every one of you who attended, volunteered and supported our school. The sense of community and generosity of the wider community was humbling. As quoted on our Facebook page by a former parent... “The magic continues”.

150th Celebration Weekend – Student Clothing
Please ensure students have returned clothing to Mrs Doherty. Our students looked fantastic in their colonial clothing. If you have lost some colonial articles please ask Mrs Doherty. The school also has some lost property from the weekend, see picture attached.

Thank you – Sausage Sizzle
The school would like to thank Paul, Jenny, Rob and Mel for organising and assisting our BBQ for students yesterday. It was well received and certainly made the students and staff feel special. Your help and assistance is most appreciated.

Musica Viva
A permission note went home last week for our excursion to Musica Viva this Thursday 6th November. We are still waiting for some permission notes. Outstanding notes need to be returned to the office first thing in the morning to assist organisation. Students will experience an ARIA award winning quintet offering a unique fusion of world music and jazz. These interactive performances are always worthwhile and educational for all students.

Pete the Sheep
A reminder for students in K-2 who will travel to the Orange Civic Theatre on the 11th November to see this brand new musical based on Jackie French and Bruce Whatley’s Australian picture book. Permission notes are due this week.

Kinder Orientation
Yesterday 15 fresh, excited and interested students attended their first day of life as a primary student at big school. We are looking forward to getting to know each student and their families better over the next two weeks.

Band Fee Reminder
We still have outstanding band fees to come in. Final reminders will be sent out next week. If you are unsure about payment or have any questions, please contact the office. Our band is becoming well known across the region for its outstanding performances and level of skill acquired by students of primary age.

THANK YOU 😊

We had an amazing weekend last weekend, both in terms of celebrating the sesquicentenary and fund raising. The support the P&C received from the school community was overwhelming. The speeches that were made on Friday afternoon, said it all – our SCHOOL COMMUNITY is what makes our school such a special place. It was a true group effort and we should all be extremely proud of ourselves and our wonderful school.

To everyone who helped out in all those small and big ways, over the past 6-months and during the weekend, my heartfelt gratitude goes out to you all. On behalf of the P&C, I would like to publicly thank the amazing staff we are blessed to have here, Shaun, Jane, Meg, Nick, Sam, Chris P, Deirdre – you are truly the most wonderful, dedicated and enthusiastic group I’ve ever had the pleasure of working with. There are others who have also been a huge part of the effort – Mark, Jenny, Sharelle, John and Chris M, and all those other people who have been doing concreting, gardening, signage and all the other things I have forgotten, to make our school look fabulous for all the visitors who came to our school over the weekend. Finally, to the children of Canobolas Publics School, a pat on the back to you all, you should feel very proud of yourselves and your school, our special guests loved your class items on Friday afternoon and as usual, the band was just great.
