THANK YOU 😊

We had a great P&C Meeting last Wednesday night. Thank you to all those parents who attended. A reminder to all families to pay your P&C Affiliation Fees – these fees cover insurance costs for the children at school and also ensures all volunteers are insured.

A huge thank you to all those people who sent me an e-mail, recognising the faces below. These guys are Bruce Smith, Steve Elliot and Michael Sivaro. There’s another photo in this week’s newsletter, so let me know who is cutting the cake on the next page.

Work is well underway, by a dedicated group, on Canobolas Public School’s 150-year history. Photos are being sorted and labelled, histories are being recalled and recorded and real progress is being made. It is a huge undertaking and to do it successfully, we need a few more interested people to become involved. Please let me know if you have got a bit of spare time to help out – mcaulfield72@optusnet.com.au.

Empty jars will come home this week with your children, there is a note enclosed explaining the “Tombola”. If you have any questions, please see a P&C representative, we are happy to answer any questions. The more jars we have to sell, the more funds we can raise for the school.

The Fete Planning Meeting held last Saturday was very well attended and many plans were made. We have nominated subcommittees who will be concentrating on different aspects of the 150-year celebration and Fete. Thank you to all those who attended and volunteered to help, without your assistance, our planned celebrations could not go ahead. Please help out if you can, we will need “many hands” leading up to and on Fete day to ensure that our celebrations are memorable and our fete is successful.

This photo was taken to commemorate 100-years of continuous occupation of the old school building, in 1979 – do you know who had the honour of cutting the cake? If you do, let us know.

Over the coming weeks and months, in preparation for our 150-year celebrations, we are hoping to set up a great, big, historical display of photos and stories. If you can help us out by letting us know if you recognise anyone in the published photos. The P&C have boxes of photos to go through, so all help is gratefully accepted. There will be a display of photos at each assembly this term, have a look at the photos and write down the names of any people you recognise. We hope it’s a fun way to get people involved in the celebrations, while completing a very important job.
