All students enjoyed a thoroughly entertaining and educational performance in the old school building. We would like to acknowledge the time and effort that these valued volunteers give to our school.

Clothing Pool Accounts
The P&C have identified a number of clothing pool purchases that have not been paid for. All outstanding amounts need to be paid as soon as possible. A reminder letter will be sent home to those who have outstanding accounts this week and ask that these been paid to Sam, by cash or cheque, as soon as you can.

Tombola
Empty jars have been sent home with the children to be filled and returned as soon as you can. There is a box in the office where the jars can be left. If you’d like to donate more than one jar, please do, the more we have to sell the more profit the school makes on fete day! Your support is greatly appreciated.

Working Bees
The P&C are hoping to organise a couple of working bees between now and the fete. It is proposed that we tidy up and beautify up the grounds. The staff already have some plans for layout and if they can count on some parents to do the hard yakka, the school will be looking its best for our celebrations later in the year. Please help out if you can – dates will be advised in due course (nothing will be planned until the weather warms up again!!)

No-one seems to know who these people are, I haven’t received any replies. It’s not too late to let me know …
