Lion King Excursion

Students in Years 3-6 are in Sydney today at the Capitol Theatre watching the Lion King. The bus is expected back at the Orange Railway Station at 9pm. Mr Dixon will notify parents via text if there is any change to this arrangement. We look forward to hearing all about their wonderful adventures upon return.

School Works

You may have noticed our new front of school gate and “No Parking” signs that have appeared in the last week. The school requires Emergency and Trade Vehicle access through these gates at all times and we ask that parents assist by keeping that area free of vehicles. We have a small gate beside the main gate which we are encouraging parents to use for all office related enquiries.

We have been notified that refurbishment work on the school toilets will begin on the 12th of June.

School Pickup

To help improve the safety of everyone at pickup time we would like all students and their parents to leave via the front gate in front of the Old School Building. This greatly assists staff to ensure that all students have left the school grounds safely and in a timely manner. We would also like to remind everyone that the speed limit is 40km/h through our school zone. Please drive safely. Please let us know if someone differentis collecting your children.

150-year Celebration plans
I would like to send a huge thank you out to all those people who are helping out behind the scenes, to pull together the celebrations planned for later this year. Photos are being scanned, stories are being written, enquiries are being made and quotes obtained – and the offers of help have been so generous. As I’ve said from the beginning, this is going to be a community effort and the P&C are very fortunate to be part of such a giving community. Anybody interested in helping out, there’s still plenty to do, just let us know.

Fete Stalls – expressions of interest
We will be inviting stall holders to attend our fete, but would like to give the first option to any school families who wish to hold a stall. The fete will run from 3:30pm til 8:00pm on Friday 31st October, and will be $20 for school families ($25 for everyone else). Please let me know your interest by next Wednesday, by sending me an e-mail with your stall details to: mcaulfield72@optusnet.com.au.

Tombola
Please get your Tombola jars back to school as soon as possible. The jars have been very slow coming back in and the P&C would like to finalise this within the next couple of weeks, so you can help us out by getting yours returned to the office, by next Wednesday, 11th June.

The young boy is Rodney Bobeldyk and we’ve got a couple of leads on the older gentleman, so I’ll keep you posted.
