Jeans for Genes Day
Last Friday Year 6 students organised to raise money and awareness for Jeans for Genes Day. Well done to all children who participated and donated a gold coin to this worthy cause. $170 was raised. A great result.

Band Workshop
Last Wednesday our “Big Band” and “Transition Band” travelled to Orange High School with other schools to take part in a Band Workshop including 150 students. This was a fantastic opportunity for them to work with specialist music teachers and quality musicians. All students were involved in a presentation concert at the conclusion of the day to showcase their talents and ability. Thank you Mrs Mickle for organising and providing such a great day for our students.

Eisteddfod
This year our Band has entered into the Orange Eisteddfod and have been working extremely hard in their preparation. They will be competing at the Orange Function Centre - Morning Session Section 479 - 12yrs and under Junior Band Group. Information for students involved has been given to students today. Please direct questions and enquiries to Mrs Manson.

Where in Australia is Mr Symons?
It appears that Mr Symons is having a great time on his trip through the centre of Australia. We are not jealous at all!!!! Keep the updates coming Sam.
The P&C are pleased to announce that we have our very first sponsor signed up for the 150-year celebrations – **SPINE ALIVE** has very generously agreed to be a Platinum Sponsor. We are so excited to welcome them on-board for this mile-stone year for our school.

Thanks to those families who have donated or enquired about donations for the Vintage Fair raffles. With this level of support continuing, our fund raising efforts will be maximised and we’ll be able to run a number of raffles. All donations can be left in the office. Thank you.
