Orange High – In Concert
Yesterday K-6 travelled by bus to Orange High School to view a concert production by talented Orange High School students. The show was fantastic and our students enjoyed watching familiar faces on stage singing, dancing and performing.

Musica Viva
Musica Viva – “The World According to James”
Musica Viva is a program that supports teachers in the classroom with high quality resources and professional learning. Musica Viva In Schools invites professional musicians to present inspiring performances directly to our students through their Live Performance program. This year K-6 will visit Bowen Public School on the 16th July to watch “The World According to James”. The performance is interactive and encourages students to engage and understand musical concepts and skills.

An information note and permission slip (cost of $5) will be sent home first day back next term. [http://www.musicaviva.com.au/education/liveperformanceplus/performers/theworldaccordingtojames]

This support and assistance is always appreciated and the benefits to our school are visible each and every day. Thank you!
