Tournament of Minds
Tournament of Minds (ToM) was completed for students in 3-6 at school last week. It is always a pleasure to watch students take control of their learning, demonstrating critical thinking, problem solving, creativity and collaboration to achieve the set task. Well done Max, Milla, Ethan, Daffyd, Bryce, Harry W and Paige who were named the winning team of our school challenge. We now have the difficult job of choosing a team of seven to be selected to represent our school at the regional finals. All children participated fantastically with some incredibly creative and dramatic performances. Well done leaders and group members, it was a pleasure to watch.

School Information Session for Parents
An information session will be held next Wednesday 10th June 6.00-7.00pm in the Old School building to inform parents and community of the future direction of the school. This session is intended to clarify some recent enquiries in relation to school growth, infrastructure and class sizes. Everyone is welcome to attend.

Carnival of Animals – This Friday
This Friday all students K-6 will travel to the Orange Civic Theatre to see Carnival of the Animals. The Circa Carnival comes to town with whimsical tales of creatures of land and sea, who tumble, fly, leap and spin their way through the many wondrous worlds of the animal kingdom. Carnival of Animals whisks you away on a thrilling circus escapade inspired by Camille Saint-Saëns delightful salute to feathers, fur and fins. Circa’s acrobats bring this classical music suite to life for a whole new generation of circus, music and animal lovers.

Cake Day would not be successful without the continued support of our families, so thank you to everyone. If you are unable to provide cakes on your day, please let Kyra McKay (0448 192 260) know at your earliest convenience, so that someone else can bring cakes and the children won’t miss out.

The P&C are pleased to have been able to purchase new computers for the teachers. They have been delivered and I think everyone is pleased to have the updated and more efficient technology. It is wonderful to see our fundraising efforts being spent in such a useful manner. Thank you to everyone who has been involved with selling raffle tickets, baking and buying on Cake Day and particularly everyone involved in our huge effort last year. We are seeing many changes around the school and the P&C efforts are being used to ensure these changes will enable our school to continue to be a beautiful, inspiring and enjoyable experience for our children.

**P&C Affiliation Fees**

A friendly reminder that the 2015 P&C Affiliation Fees are now due for payment and can be left with Sam in the office. As mentioned in earlier newsletters, the fee covers you for insurance at P&C functions and allows you to vote in P&C elections, among other things. I encourage everyone who can, to become a financial member of the P&C. We really do have a vital role to play within our school and the more families who are involved the more our school benefits.
