Message from Transport for NSW regarding PVC Semester Return Publishing for the first half of 2015. Transport for NSW has been reviewing PVC subsidy claims for accuracy because it has introduced a new computer system and this has caused a delay. This has also deferred for a short time, the attendance days collection process for all schools. We understand this overall will lead to a delay of several weeks compared to the usual processing time. Transport for NSW has advised us they are apologetic for the inconvenience.

Life Education is always a wonderful experience!

Trauma Teddies

Mrs Doherty has given our school community a challenge – to knit and donate as many Trauma Teddies as we can, for her friend Emma. Emma grew up in Orange and is now a police officer in Sydney, she see’s many traumatic situations in her work.

The children involved in these situations touched her and so she started an initiative to collect knitted teddy bears which will be carried in police cars, ambulances and fire trucks when they attend an emergency. If you or someone you know can knit (the pattern is really simple, a beginner could manage it) and have a bit of time to spare, please collect a pattern from the office or Mrs D. If you’d like more information on the Trauma Teddy Initiative, Emma has a Facebook page – Em’s Friends – Trauma Teddies.

There is a collection box in the office and also at both Woolworths stores.
